## Planning months

Application should be ready

| Task                                       | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 |
|--|---|---|---|---|---|---|---|---|---|----|----|----|
| Initiation (MA , AR)                       |   |   |   |   |   |   |   |   |   |    |    |    |
| Remove unrequired functions (MA)           |   |   |   |   |   |   |   |   |   |    |    |    |
| Fix issues & testing (MA & AR)             |   |   |   |   |   |   |   |   |   |    |    |    |
| Development of the scope of work (MA & AR) |   |   |   |   |   |   |   |   |   |    |    |    |
| Deploy to production (MA , AR)             |   |   |   |   |   |   |   |   |   |    |    |    |
| Marketing planning & Execution (External)  |   |   |   |   |   |   |   |   |   |    |    |    |
| Customer engagement (MA , AR)              |   |   |   |   |   |   |   |   |   |    |    |    |
| Support (MA, AR)                           |   |   |   |   |   |   |   |   |   |    |    |    |
|  |   |   |   |   |   |   |   |   |   |    |    |    |

Marketing should start & Beta should be ready

## Planning weeks

Marketing should start & Beta should be ready

## Production positioning

Market share

| Star     | Unknown                       |
|----------|-------------------------------|
|          | Firemisc Omnichannel Platform |
| Cash cow | Doggy                         |
|          |                               |

rowth

## Competitive advantage

- Low price WhatsApp solution rather than others
- Plug & play ( Auto enrollment online)

## **Resources Cost**

| Profit                             | Ahmed      | Mamdouh | CAPEX          |
|------------------------------------|------------|---------|----------------|
| Annual Salary first year agreement | 100,000 LE |         | Fund allocated |
| % of net profit                    | 25%        | 25%     | 50%            |
| Quarter Salary                     | 25,000 LE  |         |                |
